B. G. P. Sahyadri Jr. College, Sangamner

📅 2020 -2022

Secured Aggregate: 60.00 %

SSC

B. G. P. Sahyadri Vidyalaya, Sangamner

📅 2019 -2020

Secured Aggregate: 91.20 %

PROJECTS

Quiz App

Web Development

📅 Dec 2024 - April2025

- A responsive and interactive quiz application built using **HTML**, **CSS**, and **JavaScript** to enhance user learning through real-time question solving.
- The app features **randomized questions**, **instant feedback**, and **score tracking**, making it ideal for quick knowledge checks.
- Frontend: HTML, CSS, JS.
- Software Requirement: VS Code, Web Browser.
- Live Link: <https://jadhav124akshada.github.io/Quiz-App/>

Music Player

Web Development

📅 August 2024 - December 2024

- A custom web-based music player that utilizes **HTML5 Audio API** and **JavaScript** to control audio playback and manage user playlists.
- Features include **play/pause**, **next/previous**, and **loop functionality** with a clean and interactive user

interface.

- Frontend: HTML, CSS, JS.
- Software Requirement: VS Code, Web Browser.
- Live Link: <https://jadhav124akshada.github.io/Music-Player/>

Weather App

Web API Integration

📅 Dec 2024 – Jan 2025

- A live weather forecast app that uses **OpenWeatherMap API** to show current weather conditions for user-input locations.
- Displays **temperature, humidity, wind speed**, and **weather icons** with a user-friendly layout.
- Frontend: HTML, CSS, JavaScript
- Software Requirement: VS Code, Web Browser.
- Live Link: <https://jadhav124akshada.github.io/Weather-App/>

TECHNICAL SKILLS
